

COOKIE POLICY

UAB “Biomapas”, code 135750888, registered address Savanoriu ave. 109, Kaunas (“**we**”) requests your consent to use or store cookies on your device (computer, tablet, smartphone or any other). This Cookie Policy is therefore designed to inform you about cookies that we use and their purpose.

1. What are cookies

Cookies are a small file, typically of letters and numbers, downloaded on to a device when you access certain websites. Cookies are then sent back to originating website on each subsequent visit. Cookies are useful because they allow a website to recognise your device, provide enhanced functionality and/or improved relevancy of information. More about cookies can be found at <http://www.allaboutcookies.org>

2. Why we use cookies

We may use cookies to help you navigate our website more easily (to provide access to our content, analyse and improve your browsing experience). Cookies we use are not harmful and do not contain any information such as your home address, date of birth or credit card details.

3. Types of cookies

There are few different types of Cookies and they can be divided into three categories:

1. **STRICTLY NECESSARY COOKIES** are essential in helping you to move around our website and use its features. These cookies do not gather information about you that could be used for marketing or remembering where you've been on the internet.
2. **ANALYTICAL/PERFORMANCE COOKIES** allow us to recognise and count the number of visitors to our website. It also allows us to see how visitors move around the website when they are using it.
3. **FUNCTIONALITY COOKIES** allow websites and applications to remember choices you make and provide enhanced, more personal features. The
